**For more information, questions or to report violations, please call (800) 232-0904 .**

**Know Your Days**

Mandatory lawn watering restrictions specify the days when you may water. These days depend on whether you have an odd or even numbered address, and the time of year.

Time of year	Homes with odd numbered or no addresses	Homes with even numbered addresses	Nonresidential properties
Daylight saving time	Wednesday/Saturday	Thursday/Sunday	Tuesday/Friday
Eastern Standard Time	Saturday	Sunday	Tuesday

- Daylight saving time: Second Sunday in March until the first Sunday in November
- Eastern Standard Time: First Sunday in November until the second Sunday in March
- An odd numbered address is one that ends in 1, 3, 5, 7 or 9.
- An even numbered address is one that ends in 0, 2, 4, 6 or 8.
- Water only when needed and not between 10 a.m. and 4 p.m.
- Water for no more than one hour per zone.
- Restrictions apply to private wells and pumps, ground or surface water and water from public and private utilities.
- Some exceptions apply.

**NOTE: regulations for the main entry fall under "Commercial Property" and watering is designated on TUESDAYS.**

Sometimes when there is a power outage or surge the timer needs to be reset. To avoid fungus and pests (like chinch bugs) we have the system set to come on in the early morning hours, around 3:00 AM. Watering during the day and early in the evening is discouraged. If you ever notice the sprinklers on at inappropriate times, please contact Fairway Management of Brevard. Our current Sprinkler Contractor is Green-Up Plus, Paul Anderson and the system is monitored monthly.

**THANKS for helping to keep Forest Creek a more beautiful place to live!**
